RE: Trimaco, LLC Patent Infringement  
Our Ref: GARI 3 00085 US01

Dear Mr. Kelsey:

I am in receipt of your letter dated August 5, 2016. In response to your questions, the arrow in the pictures of our letter dated July 22, 2016 point to the depressions in the Floorshell® product that are used to fold the Floorshell® product. With regard to the claims of Garland's U.S. Patent No. 9,365,385, it appears that at least claims 1-5 cover the Floorshell® product.

Very truly yours,

Fay Sharpe LLP
